Los Angeles, California

Gentlemen:

Attached hereto is a letter from [REDACTED] with Exhibits A, B, C, D, and E, which are recommended increases in the FAK's, Depot Spares, and SLOE Equipment for Systems I and III. These lists have been received by [REDACTED] and others, and approval has been granted as indicated in Bill's letters which are also attached.

25X1A

You are hereby authorized to proceed with the manufacture and procurement of the items as indicated by the above mentioned letters. It is requested that you furnish a proposal concerning these increased quantities.

Since we are furnishing you the only copies of the list in [REDACTED] possession, it is requested that the material be returned after you have extracted the information you need.

Very truly yours,
